

WILDLAND FIRE ALERT & WARNING AND EVACUATION SEMINAR

What Do You Need to Know to Evacuate?

Recent large Wildfire Disasters in both California and Colorado have demonstrated the critical importance of citizens developing good situational awareness and evacuation planning before a wildland fire disaster develops.

This FREE Wildland Fire Evacuation Seminar will assist you in:

ALERT & WARNING

- Learning how evacuation warnings, alerts and notifications are delivered in Douglas County
- Instruction and assistance on signing up for alert and warning systems

EVACUATION PREPAREDNESS

- Learning how to prepare for an evacuation and what to expect
- How to develop your own Family Evacuation Plan
- Q & A with a panel of experts

April 16, 2019, 6:00 – 8:00 p.m.

County Commissioner's Hearing Room

100 Third Street, Castle Rock, CO 80104
