

SLASH PICKUP— JUNE & OCT.

The Perry Park Metro District provides two (2) annual **slash pick-ups** in order to promote resident's mitigation in an effort to provide added protection from the spread of fires.

SLASH 'MUST' BE AT CURBSIDE AT THE TIME OF PICK-UP

NO PINE NEEDLES

PLACE SLASH IN ONE (1) PILE

There will be **NO repeat pick-ups** once an area has been served.

Slashed placed at the curbside after the pick-up has occurred will remain there until the next scheduled seasonal pick-up. The Fire Dept. has expressed concern over remaining slash piles—potential fire danger. Please don't put your and your neighbor at an unnecessary risk.

M R Hauling (303-919-1996) is engaged to perform the slash removal.

Residents may hire MR or other sources to remove slash before and after scheduled pick-ups.

To assist residents in their mitigation planning, the Park has been organized into **4 zones** as indicated on the attached map.

The defined areas 1, 2, 3 and 4 will be picked-up up as follows:

AREA

- 1**
- 2**
- 3**
- 4**

PICK-UP WEEK

- 1ST WEEK OF JUNE & OCTOBER**
- 2ND WEEK OF JUNE & OCTOBER**
- 3RD WEEK OF JUNE & OCTOBER**
- 4TH WEEK OF JUNE & OCTOBER**

Signage will be place at the Entrance to Perry Park indicating the 'PICK-UP ZONE OF THE WEEK'

DO YOU MITIGATION AND CURBSIDE DROP "PRIOR" TO THE WEEK OF PICK-UP!
